

LONGSHADOW RANCH

Syrah

Estate Vineyard

2003
Temecula

Tradition from six generations have brought these fine wines to your table. The now all but lost art of working the land with draft horses and machinery from days gone by is still carried on by our family.

Bottled with pride, these wines are a reflection of our heritage. We hope you enjoy them as much as we have loved bringing them to you, and we invite you to come out and visit us here at the ranch in Temecula.

Our beautiful valley is filled with history and charm of "the old west". Take a carriage ride through our vineyards and see for yourself why we do things the old fashioned way!
